

Kawartha Trent Synchro Club

Request your support through Swimmer Sponsorship

In Peterborough, there's nothing more important than fostering our local sports teams.

Since the 1960's, Kawartha Trent Synchro Club (KTSC) has been providing swimmers between the ages of 5 and 18 a safe place to be physically active, make connections with their peers, and be empowered athletes. Synchronized swimming is a sport that combines aspects of swimming, dance, and gymnastics into routines of elaborate moves in the water accompanied by music. Synchronized swimming develops a very high level of physical fitness, poise, and confidence.

As a not for profit organization our goal is to maintain affordable registration fees through fundraising and sponsorship, and we wouldn't be able to keep serving our club without important partners like you. We are extending an invitation to your business to support us through **swimmer sponsorship**.

This would help your organization gain exposure among Kawartha Trent Synchro Club families and in the broader Peterborough area. To get involved, we are requesting that your business purchase sponsorship at one of the following levels:

Platinum	Gold	Silver
\$500	\$300	\$150

Social Media Sponsor Appreciation (Facebook & Instagram)		

We feel it's important to let you know that our club is entirely not-for-profit and every dollar raised by the team is put back into covering team costs, such as pool time, professional instruction, and competition fees.

We appreciate your consideration and assure you that your business will receive affordable exposure to swimmers families, who will recognize the value you place on supporting our club and community.

KTSC would be happy to start a partnership at any level! If your business is excited by this proposal, please reach out to me at _____.

Thank you,

Synchronized Swimmer
